Deleted: New England Power Company (NEP) is proposing to expand its Wachusett No. 47 Substation in West Boylston for system reliability purposes. The expansion will require approximately 18 months to complete. If NEP can obtain all necessary permits promptly, begin construction during the summer of this year, and energize the substation equipment no later than December 31, 2005, certain amounts of this project would qualify for bonus tax depreciation deductions which in turn provide benefits to NEP customers (including Massachusetts Electric Company and Nantucket Electric Company) in the form of lower rate base. ~~can receive a significant tax benefit and favorable rate impact relative to this project.~~ ¶
